Government officers may also receive bonds of village or revenue payments on account of trees and to grant receipts therefor.

3. (1) Applications for the grant of tree-tapping license must be made in the prescribed form to the Inspector, Salt, Akhalai and Customs Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspector of Salt, Akhalai and Customs Department, and from all Talukdars and Deputy Talukdars and will be supplied free of charge. Applicants put in by shopkeepers and sellers need not be stamped; those put in by other persons must bear a revenue stamp of one rupee. In any case, if the fees have been paid, into a treasury, the application must contain a receipt of payment from the treasury officer; if payment has been made to a village head the receipt must accompany the application. Mysore natives and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Akhalai's treasury and should present before the British Talukdar or Deputy Talukdar concerned along with the application, in form F.T. 4, the receipt with the Akhalai's certificate of the fees in the effect that the applicant is a person entitled to take out a tree-tapping license in Mysore. The tree-tax should be calculated at the higher rate if the trees are not the same on the two sides of the frontier.

(2) Applications for tree-tapping license in the South Caucasus district should be countersigned by the owner of the trees intended to be tapped in token of his consent.

4. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in the instalment into British treasury and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will necessarily be the higher rate on trees of the one side or the other on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed, being payable by British and Mysore Government alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licenses for tapping trees in either territory in the application of license or shopkeepers in the other do not govern the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford such tribute or for other sufficient reasons and the mere payment of tree-tax into a British or Mysore treasury does not entitle an applicant to tapping license for trees so reserved.

5. Toddy shopkeepers in British territory adjoining the Bangalore State will be allowed to tap trees in the State on payment of tree-tax, the rate being the same as in the Karwar district. Similarly trees in the Bangalore State will be allowed to tap trees in the adjoining British territory.

6. Persons applying for the issue of license will be responsible to Government for all sums payable as tree-tax on account of the trees intended to be tapped.

7. (1) On receipt of an application, the Inspector, unless he sees special cause to the contrary, will at once take steps for the marking of the trees by an officer responsible or mark for a party other and for the issue of the license. Applicants for trees shall point out to the marking officer, who is required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be forfeited in the Collector's discretion.

(2) In the Gushavari district and in the Maraguer, Ghamsarova, Tanaka, Ellere and Yermagiden tribes of the Russian district, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate trees or blocks.

8. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

9. No tree shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any part be attached to any toddy tree, until the tree has been marked by the proper officer.

10. For permits and date trees in the Presidency and in District (Lunge Pigtal) trees in South Caucasus, tree-tapping license will be issued, that is, in force from 1st October or any subsequent date to the 31st September immediately following, and for subsequent and any trees they shall be valid from 1st October or any subsequent date to the 31st September immediately following, and from 1st April or any subsequent date to the 31st September immediately following, except in the case of the trees having been already tapped, when the full tree-tax may be levied.

Notice is hereby given that the number of farms and independent shops appointed for the sale of Armaqi during the twelve months beginning on October 1901 and ending 30th September 1912 and the local Armaqi appointed for them will be notified by Collectors in their District Gazette, and that the privilege of sale thereof will be put up to public auction on the date, at the place and by the officer to be notified by Collectors subject to the conditions hereinafter set forth.

C. of Armaqi Sale.

II. The Districts in which independent Armaqi shops, aramki farms and aramki and toddy farms, respectively, will be sold are specified below:—

Independent toddy shops	Aramki farms.	Aramki and toddy farms.
1	2	3
Throughout the Presidency including the Bangalore State and including the Right District and certain areas in the Madras district.		
	Coimbatore and the Alwar North and South Districts.	Travancore and Cochin.

A separate notification will be issued regarding conditions under the free-sale system. Collectors will issue orders regarding the mode where special systems are in force.

III. A deposit must be made by each bidder previous to bidding and will be recovered by the selling officer on the day of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any independent shop or any large number of shops. This will be reduced to Rs. 25 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of farms Rs. 100 will be the ordinary deposit. This will be reduced to Rs. 50 in the case of bidders for farms of an aggregate monthly rental of not more than Rs. 100 and to Rs. 25 in the case of bidders for single small farms. In the Coimbatore district, the selling officer may, where he finds it necessary, require a deposit of Rs. 10 only from bidders for toddy shops. In the South Canara district, the selling officer may at their discretion reduce the deposit to Rs. 5 for shops whose average monthly rental does not exceed Rs. 5.

IV. The shops or farms will be put up to auction on the order in which they are notified, unless the selling officer sees reason to change that order. Open prices will be fixed at the discretion of the Collector. The reserve price placed by Government on the shops or farms will not be published, but the average of the previous five years' rentals will be notified to the Collector, whenever possible, for the information of bidders.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from him.

VI. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that he has been accounted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the ^{Armaqi} Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or is present antecedent to the date of Government contract or for any other valid reason. He may also refuse any bid which

he may consider to be purely speculative, after recording his reasons for doing so. Village officers will not be allowed to bid for, or to have any direct interest in shops for the sale of consumables.

VII. The shops and houses will be knocked down to the highest bidder, but the sale will be subject to formal confirmation of the Collector, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid, unless the Board of Revenue for special reasons, and will be necessary whether the sale be held by the Collector himself or by any officer appointed by him.

VIII. In case of dispute the selling officer's decision shall be final. If for any reason the highest bid is rejected, the next highest shall be taken, on the shop or farm to which it has been made.

IX. At the close of each day's sale, the deposit made by the successful bidder will be returned to him. At the same proceeds, such person, whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit * of half the actual value of the shop or farm to be sold, or of the value of the land to be sold, in addition to the deposit made under clause III for each shop or farm unless the actual deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under clause III will be forfeited and the farm or shop will be put up again immediately by the selling officer or the above authorities or otherwise disposed of by the Collector and the deficiency will be deducted from bidding agent for the same or for any other farm or shop.

X. Persons to whom farms and shops have been knocked down and who have made deposits as provided in clauses III and IX shall also deposit * such further sum as with the former deposits will provide a security of one month's rent (to be paid within six days from the date of completion of the Collector's acceptance of the bid) and shall, without unnecessary delay execute the necessary arrangements and take out licenses on the ready-money basis after set forth. In the case of the purchaser's default after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed two months' rent, it will be deposited under this clause, the same will be refunded unless the purchaser is required to deposit twice that sum under clause XI here.

XI. If an employer is required to sell the purchase shall be bound to be of doubtful solvency, he may be required either to deposit two months' interest in addition to the sum prescribed in clause X above, or to get a security or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (clause 34, schedule 1, Act II of 1909) and registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XII. On the failure of any person to make deposit under clause X or to comply with the regulations under clause XI above or to execute engagements and take out licenses as provided, the deposits already made may be forfeited and the shop or farm re-sold under the orders of the Divisional Officer or the district officer by the Collector or otherwise disposed of by the latter officer.

XIII. Revenue officers under clause XII will be, at the risk of the defaulting bidder, who will forfeit all paid, and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the sale. In the latter case the forfeited deposit will be payable by the successful bidder from the moneys, and the remainder, if any, will be recoverable from the defaulting bidder in the same manner as if it were an amount of land Revenue. Should, however, the forfeited deposit be greater than the loss by resale, the whole of such deposits will be credited to the successful bidder. The defaulting bidder will be liable to the same extent as if the privilege is disposed of otherwise than by resale and such deposit results in loss to Government as compared with original sale.
